

HANDS-FREE STARTER PACKAGE

50 Production Employee Starter Package

Built to withstand the elements of the production floor, our hands-free dispenser is simple enough for the classroom yet sophisticated for the office environment.

STARTER PACKAGE:

- One Time Purchase
 - (1) Hands-Free Foot Operated Sanitizer Dispenser
 - (8) One gallon liquid hand sanitizer
 - (1) One gallon atomizing mist sanitizer pump
- Note: Based on our experience, this package services approximately 50 production employees for one month.
